LOWER SECONDARY

EXCELLENCE IN LITERATURE

EXCELLENCE IN LITERATURE PROGRAMME

At Secondary 1, most students have never even heard of Literature before. To them, it is a formidable subject that is difficult to excel in. They assume they do not have a flair for the subject and are either bored or intimidated or both! With the right techniques and strategies, studying Literature can be stress-free and even enjoyable.

Our Lower Secondary Literature Programme will build up your child's confidence by teaching him or her strategies to take the mystery out of poetry, prose and set text and put the joy back into reading for specific purposes.
